ADVANTAGE PLUS MEANS PROTECTION, CHOICE AND PEACE OF MIND.

Today more than ever, quality health care has become an absolute necessity. Without it, illness could mean financial disaster. But it's a fact that even the best health insurance plans have out-of-pocket expenses such as deductibles, co-payments and coverage limits that can quickly add up.

Should you be confined to a hospital, Advantage Plus can provide you with a cash benefit of up to \$600 per day based on the plan you choose. It can also provide benefits for an ambulance or a skilled nursing facility — all instances where your current health insurance plan may

have deductibles or co-payments.

With GTL's Advantage Plus, you'll have peace of mind knowing that your health insurance co-pays, deductibles and coverage limits won't surprise you after an illness or accident.

SKILLED NURSING FACILITY RIDER

Your policy will pay \$100, \$150 or \$200 per day from days 1 through 50 if you are confined to a skilled nursing facility. This benefit applies if you are admitted to a skilled nursing facility after having been confined to a hospital for three consecutive days. We will pay benefits as long as confinement occurs within 30 days of hospitalization. This benefit restores after 60 days of no confinement in a hospital or skilled nursing facility.

LUMP SUM HOSPITAL CONFINEMENT RIDER

Some primary health plans leave you with a lump sum hospital co-pay. A \$250, \$500 or \$750 lump sum benefit can be used to help cover that cost. The benefit is payable once during any period of hospital confinement and restores after 60 days of no hospital confinement.

OUTPATIENT SURGICAL BENEFIT RIDER

This rider will pay \$250, \$500, \$750 or \$1,000 for a surgical procedure performed in an ambulatory surgical center or outpatient hospital facility. This surgical indemnity is payable no more than two times per year.

ADDITIONAL BENEFITS

Your policy will also pay \$175 per day for up to seven days if you are confined to an inpatient mental health facility. In addition, the policy will pay \$150 if you are admitted to a hospital within 24 hours following an emergency room visit due to accident or injury. These benefits are available to you as part of your base policy.
